# PARENTING

## With LOVE AND LOGIC<sup>©</sup>

PRESENTED BY LEE'S SUMMIT CARES

When parenting youth, the focus is often on the early years. However; as youth transition through adolescence their needs change. Wise parents adapt their parenting approach to guide their teens toward a successful future. Join us and learn effective ways to maintain a positive relationship with your teen and much more!

- \*How brain development impacts behavior
- \*When to rescue or allow for natural consequences
- \*How to motivate an unmotivated student
- \*How to communicate so your teen will listen
- \*Establishing house rules and expectations
- \*Setting limits you can enforce

How to up the odds that your teen will make good choices *even when you are not present!*
